

Dear Prospective Student,

Welcome to a unique Christian martial arts program that combines a practical, self defense oriented martial art called Kempo-Karate with spiritual fitness training. This training is accomplished through integrated spiritual disciplines and service to others through our words and deeds according to the direction of our King, Jesus Christ.

If you and/or your child (ages 8 and up) would benefit from a single program that will intentionally develop you physically, mentally and spiritually in order to be “fit” in all three areas leading to increasingly maximizing what God has made you a steward of, then the On Mission Martial Arts program is for you!

On Mission Martial Arts, Inc., is a Florida not-for-profit incorporated in 2005 to accomplish the objective of training a community of believers to progressively step out of their comfort zones and overcome limitations in any area that might hold them back from realizing all that the Lord desires for them.

This program is a great challenge and a grand adventure. We believe that everyone can benefit from participation with OMMA, but not all are willing or able to make the commitments required to do so. It is not something to decide to do lightly...we recommend asking the Lord if this is a program He would have you or your child take part in. A sure knowledge of God’s leading will make a big difference in sticking with it and accomplishing a significant goal – becoming an On Mission Black Belt!

One of the hardest decisions is the decision to step across the line and begin something new. *“The journey of 1,000 miles begins with a single step.”* If you believe this program is for you, go for it! Take that first step and allow the Holy Spirit and the OMMA community to walk with you for the next 1,000 miles.

This packet contains information you may find useful to help make your decision as well as the materials (paperwork) we need to get you started. If you decide to join the OMMA program we would need the Student Application and Waiver filled out and signed. Note that there are separate applications for Adults and Minors (under 18 years old). Please call me at (407) 443-3316 or email me at marco@onmissionma.org if you have any questions at all.

If the Lord so wills, we look forward to getting to know you in class!

Serving the King,
